2011 volunteers

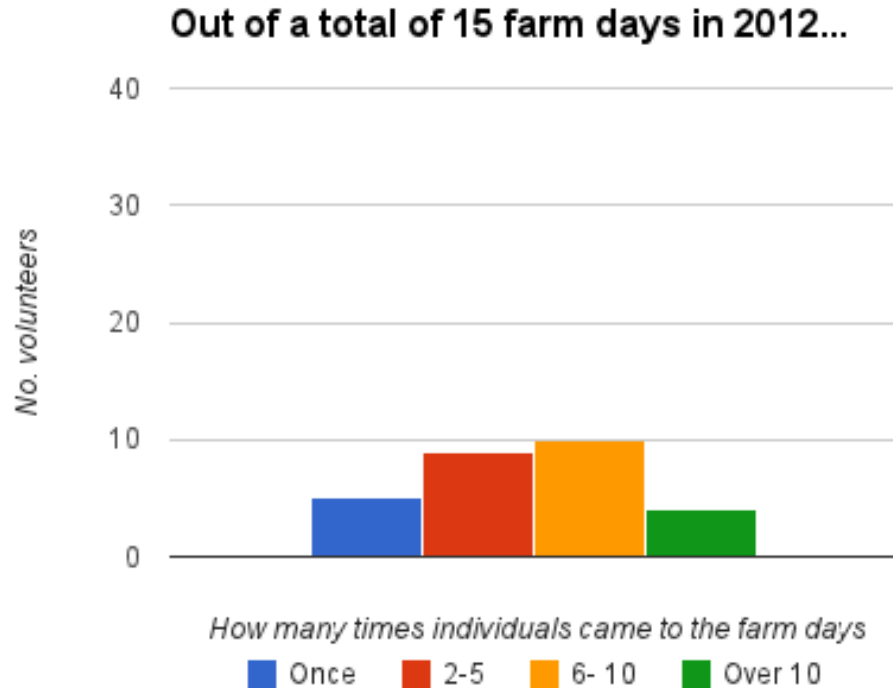

Out of **10** farm days....

more than **50** volunteers

most returning for **2 to 8** farm days

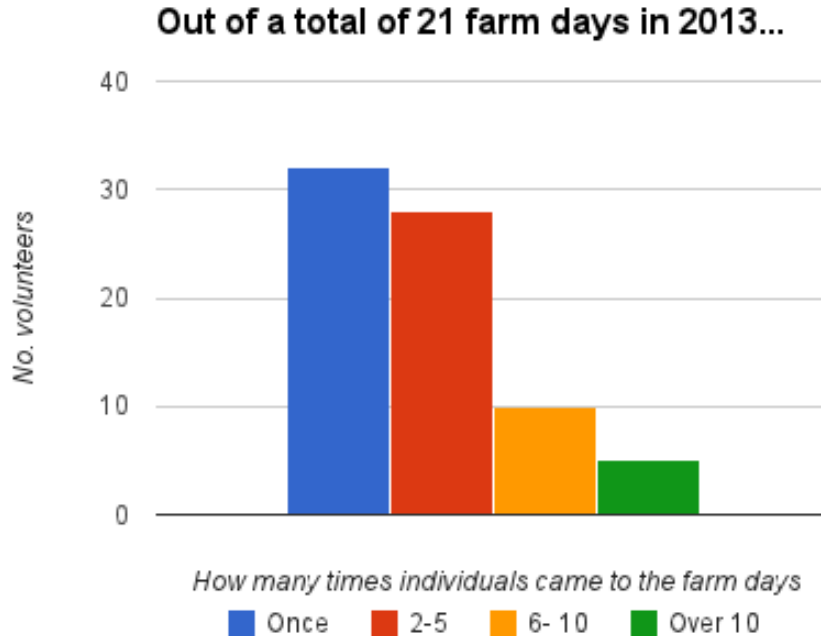

2012 volunteers

55 approx volunteers in total

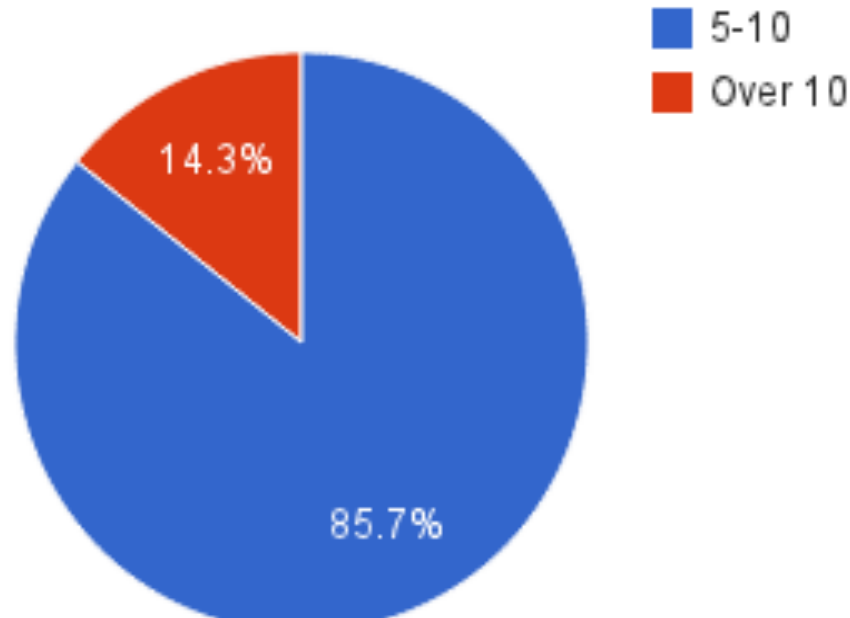

2013 volunteers

75 volunteers in total

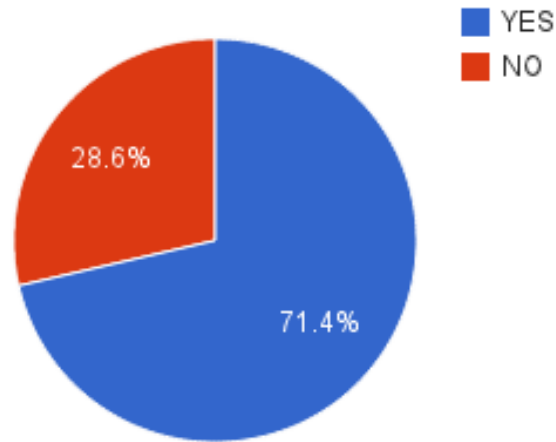

2012 volunteer survey results

Farm days out of 15 volunteers could commit to over a season

2012 volunteer survey results

If you weren't a Core member, would you have attended as many farm days?

Thanks!
